

Statewide results of all spring 2012 assessments will be released to the public and news media tomorrow, **Thursday, June 28, 2012 at 10:00 a.m.** Districts and schools have an opportunity to preview these embargoed results now.

MME and MI-Access Statewide Results Now Available

Statewide results for the Spring 2012 Michigan Merit Examination (MME) and Spring 2012 MI-Access (Grade 11) assessments are now available for district and school use ONLY.

ELPA State, District, and School Results Now Available

Additionally, we are pleased to announce that results from the Spring 2012 English Language Proficiency Assessment (ELPA) are also now available via the BAA Secure Site at the building, district, and state level for district and school use ONLY.

The embargo on all spring 2012 assessment results will be lifted at 10:00 a.m. tomorrow, and you may then freely share aggregate assessment data and discuss aggregate results with the public, parents, and news media, as you wish.

Remember, all aggregate reports are embargoed from release until tomorrow, June 28th at 10:00 a.m. You have been provided advance access to prepare yourself for questions you may receive as a result of the public release. **Disclosure of any of the embargoed aggregate results prior to 10:00 a.m. on JUNE 28th, may result in the elimination of the opportunity for an advance look at state results in the future.**

If you have a user ID and password to the BAA Secure Site, you may access, view, or print local and state aggregate reports at this time. Go to www.michigan.gov/baa-secure and click on "Student Test Scores" from the menu on the left side of the page, then select the appropriate spring 2012 test cycle. If you do not have access to the BAA Secure Site, please contact your district assessment coordinator for assistance.

If you have questions, send an email message to baa@michigan.gov or call 877-560-8378, select option 3 for MME, option 4 for MI-Access, or option 5 for ELPA.
